INTRODUCTION

The University of California adopted a Conflict of Interest Code with an effective date of April 1, 1980, pursuant to the requirements of the Political Reform Act of 1974. (Gov. Code § 81000, *et seq.*) In the interest of keeping the Code current with amendments to the Act and to regulations as they occur, the Fair Political Practices Commission has adopted a standard Conflict of Interest Code. This standard Code follows with minor revisions and additions relevant to the University of California.

UNIVERSITY OF CALIFORNIA CONFLICT OF INTEREST CODE

The Political Reform Act, Government Code section 81000, *et seq.*, requires state and local government agencies to adopt and promulgate Conflict of Interest Codes. The Fair Political Practices Commission has adopted a regulation, California Code of Regulations, title 2, section 18730, which contains the terms of a standard Conflict of Interest Code, which can be incorporated by reference, and which may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act after public notice and hearings. Therefore, the terms of California Code of Regulations, title 2, section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission, along with the attached Appendix in which officials and employees are designated and disclosure categories are set forth, are hereby incorporated by reference and constitute the Conflict of Interest Code of the University of California.

Pursuant to section 4 of the standard Code, designated employees shall file Statements of Economic Interests (Form 700) with the University who will make the statements available for public inspection and reproduction. (Gov. Code, § 81008.) Upon receipt of the Statements (Form 700) filed by members of the Board of Regents, except ex-officio members who serve as such

due to their elected state offices and are excluded by subdivision (b) of Government Code section 87302, and upon receipt of the Statements (Form 700) filed by the President and the Treasurer and Vice President for Investments, and the Assistant Treasurer, the University shall make and retain a copy and forward the original of these statements to the Fair Political Practices Commission.

Pursuant to subdivision (c) of California Code of Regulations, title 2, section 18702.4, principal investigators who become designated employees because their research is to be funded or supported in whole or in part by nongovernmental entities shall file Statements of Economic Interests with the University (Form 700-U).

REGULATIONS OF THE FAIR POLITICAL PRACTICES COMMISSION (Division 6 of the California Code of Regulations, Title 2)

Section 18730 Provisions of Conflict of Interest Codes. (Gov. Code §§ 87300 - 87302, 89501, 89502 and 89503.)

CONFLICT OF INTEREST CODE

Incorporation by reference of the terms of this regulation along with the designation of employees and the formulation of disclosure categories in the Appendix referred to below constitute the adoption and promulgation of a Conflict of Interest Code within the meaning of Government Code section 87300 or the amendment of a Conflict of Interest Code within the meaning of Government Code section 87306 if the terms of this regulation are substituted for terms of a Conflict of Interest Code already in effect. A Code so amended or adopted and promulgated requires the reporting of reportable items in a manner substantially equivalent to the requirements of Article 2 of Chapter 7 of the Political Reform Act, Government Code sections 81000, *et seq.* The requirements of a Conflict of Interest Code are in addition to other requirements of the Political Reform Act, such as the general prohibition against conflicts of interest contained in Government Code section 87100, and to other state or local laws pertaining to conflicts of interest.

TERMS OF CONFLICT OF INTEREST CODE

The terms of a Conflict of Interest Code amended or adopted and promulgated pursuant to this regulation are as follows:

Section 1. Definitions.

The definitions contained in the Political Reform Act of 1974, regulations of the Fair Political Practices Commission (2 Cal. Code of Regs. sections 18100, *et seq.*), and any amendments to the Act or regulations, are incorporated by reference into this conflict of interest code.

Section 2. Designated Employees.

The persons holding positions listed in the Appendix are designated employees. It has been determined that these persons make or participate in the making of decisions which may foreseeably have a material effect on economic interests.

Section 3. Disclosure Categories.

This code does not establish any disclosure obligation for those designated employees who are also specified in Government Code section 87200 if they are designated in this code in that same capacity or if the geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction in which those persons must report their economic interests pursuant to article 2 of chapter 7 of the Political Reform Act, Government Code sections 87200, *et seq.*

In addition, this code does not establish any disclosure obligation for any designated employees who are designated in a conflict of interest code for another agency, if all of the following apply:

- A. The geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction of the other agency;
- B. The disclosure assigned in the Code of the other agency is the same as that required under article 2 of chapter 7 of the Political Reform Act, Government Code section 87200; and
- C. The filing officer is the same for both agencies.¹

Such persons are covered by this code for disqualification purposes only. With respect to all other designated employees, the disclosure categories set forth in the Appendix specify which kinds of economic interests are reportable. Such a designated employee shall disclose in his or her statement of economic interests those economic interests he or she has which are of the kind described in the disclosure categories to which he or she is assigned. It has been determined that the economic interests set forth in a designated employee's disclosure categories are the kinds of economic interests which he or she foreseeably can affect materially through the conduct of his or her office.

Section 4. Statements of Economic Interests: Place of Filing.

The code reviewing body shall instruct all designated employees within its code to file statements of economic interests with the agency or with the code reviewing body, as provided by the code reviewing body in the agency's conflict of interest code.²

Section 5. Statements of Economic Interests: Time of Filing.

- A. Initial Statements. All designated employees employed by the agency on the effective date of this code, as originally adopted, promulgated and approved by the code reviewing body, shall file statements within 30 days after the effective date of this code. Thereafter, each person already in a position when it is designated by an amendment to this code shall file an initial statement within 30 days after the effective date of the amendment.
- B. Assuming Office Statements. All persons assuming designated positions after the effective date of this code shall file statements within 30 days after assuming the designated positions, or if subject to State Senate confirmation, 30 days after being nominated or appointed.
- C. Annual Statements. All designated employees shall file statements no later than April 1.

- D. Leaving Office Statements. All persons who leave designated positions shall file statements within 30 days after leaving office.

Section 5.5. Statements for Persons Who Resign Prior to Assuming Office.

Any person who resigns within 12 months of initial appointment, or within 30 days of the date of notice provided by the filing officer to file an assuming office statement, is not deemed to have assumed office or left office, provided he or she did not make or participate in the making of, or use his or her position to influence any decision and did not receive or become entitled to receive any form of payment as a result of his or her appointment. Such persons shall not file either an assuming or leaving office statement.

Any person who resigns a position within 30 days of the date of a notice from the filing officer shall do both of the following:

- A. File a written resignation with the appointing power; and
- B. File a written statement with the filing officer declaring under penalty of perjury that during the period between appointment and resignation he or she did not make, participate in the making, or use the position to influence any decision of the agency or receive, or become entitled to receive, any form of payment by virtue of being appointed to the position.

Section 6. Contents of and Period Covered by Statements of Economic Interests.

A. *Contents of Initial Statements.*

Initial statements shall disclose any reportable investments, interests in real property and business positions held on the effective date of the code and income received during the 12 months prior to the effective date of the code.

C. *Contents of Annual Statements.*

Annual statements shall disclose any reportable investments, interests in real property, income and business positions held or received during the previous calendar year provided, however, that the period covered by an employee's first annual statement shall begin on the effective date of the code or the date of assuming office whichever is later, or for a board or commission member subject to Government Code section 87302.6, the day after the closing date of the most recent statement filed by the member pursuant to 2 Cal. Code of Regs, section 18754.

D. *Contents of Leaving Office Statements.*

Leaving Office Statements shall disclose reportable investments, interests in real property, income and business positions held or received during the period between the closing date of the last statement filed and the date of leaving office.

Section 8. Prohibition on Receipt of Honoraria.

No member of a state board or commission, and no designated employee of a state or local government agency, shall accept any honorarium from any source, if the member or employee would be required to report the receipt of income or gifts from that source on his or her statement of economic interests. This section shall not apply to any part-time member of the governing board of any public institution of higher education, unless the member is also an elected official.

Subdivisions (a), (b), and (c) of Government Code Section 89501 shall apply to the prohibitions in this section.

This section shall not limit or prohibit payments, advances, or reimbursements for travel and related lodging and subsistence authorized by Government Code section 89506.

Section 8.1. Prohibition on Receipt of Gifts in Excess of \$420.

No member of a state board or commission, and no designated employee of a state or local government agency, shall accept gifts with a total value of more than \$420 in a calendar year from any single source, if the member or employee would be required to report the receipt of income or gifts from that source on his or her statement of economic interests. This section shall not apply to any part-time member of the governing board of any public institution of higher education, unless the member is also an elected official.

Subdivisions (e), (f), and (g) of Government Code section 89503 shall apply to the prohibitions in this section.

Section 8.2. Loans to Public Officials.

- A. No elected officer of a state or local government agency shall, from the date of his or her election to office through the date that he or she vacates office, receive a personal loan from any officer, employee, member, or consultant of the state or local government agency in which the elected officer holds office or over which the elected officer's agency has direction and control.
- B. No public official who is exempt from the state civil service system pursuant to subdivisions (c), (d), (e), (f), and (g) of Section 4 of Article VII of the Constitution⁷ shall, while he or she holds office, receive a personal loan from any officer, employee, member, or consultant of the state or local government agency in which the public official holds office or over which the public official's agency has direction and control. This

subdivision shall not apply to loans made to a public official whose duties are solely secretarial, clerical, or manual.

- C. No elected officer of a state or local government agency shall, from the date of his or her election to office through the date that he or she vacates office, receive a personal loan from any person who has a contract with the state or local government agency to which that elected officer has been elected or over which that elected officer's agency has direction and control. This subdivision shall not apply to loans made by banks or other financial institutions or to any indebtedness created as part of a retail installment or credit card transaction, if the loan is made or the indebtedness created in the lender's regular course of business on terms available to members of the public without regard to the elected officer's official status.
- D. No public official who is exempt from the state civil service system pursuant to subdivisions (c), (d), (e), (f), and (g) of Section 4 of Article VII of the Constitution shall, while he or she holds office, receive a personal loan from any person who has a contract with the state or local government agency to which that elected officer has been elected or over which that elected officer's agency has direction and control. This subdivision shall not apply to loans made by banks or other financial institutions or to any indebtedness created as part of a retail installment or credit card transaction, if the loan is made or the indebtedness created in the lender's regular course of business on terms available to members of the public without regard to the elected officer's official status. This subdivision shall not apply to loans made to a public official whose duties are solely secretarial, clerical, or manual.
- E. This section shall not apply to the following:
 - a. Loans made to the campaign committee of an elected officer or candidate for elective office.
 - b. Loans made by a public official's spouse, child, parent, grandparent, grandchild, brother, sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, or first cousin, or the spouse of any such persons, provided that the person making the loan is not acting as an agent or intermediary for any person not otherwise exempted under this section.
 - c. Loans from a person which, in the aggregate, do not exceed five hundred dollars (\$500) at any given time.
 - d. Loans made, or offered in writing, before January 1, 1998.

Section 8.3. Loan Terms.

- A. Except as set forth in subdivision (B), no elected officer of a state or local government agency shall, from the date of his or her election to office through the date he or she vacates office, receive a personal loan of five hundred dollars (\$500) or more, except when the loan is in writing and clearly states the terms of the loan, including the parties to the loan agreement, date of the loan, amount of the loan, term of the loan, date or dates when payments shall be due on the loan and the amount of the payments, and the rate of interest paid on the loan.

- B. This section shall not apply to the following types of loans:
- a. Loans made to the campaign committee of the elected officer.
 - b. Loans made to the elected officer by his or her spouse, child, parent, grandparent, grandchild, brother, sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, or first cousin, or the spouse of any such person, provided that the person making the loan is not acting as an agent or intermediary for any person not otherwise exempted under this section.
 - c. Loans made, or offered in writing, before January 1, 1998.
- C. Nothing in this section shall exempt any person from any other provision of Title 9 of the Government Code.

Section 8.4. Personal Loans.

- A. Except as set forth in subdivision (B), a personal loan received by any designated employee shall become a gift to the designated employee for the purposes of this section in the following circumstances:
- a. If the loan has a defined date or dates for repayment, when the statute of limitations for filing an action for default has expired.
 - b. If the loan has no defined date or dates for repayment, when one year has elapsed from the later of the following:
 - i. The date the loan was made.
 - ii. The date the last payment of one hundred dollars (\$100) or more was made on the loan.
 - iii. The date upon which the debtor has made payments on the loan aggregating to less than two hundred fifty dollars (\$250) during the previous 12 months.

- B. This section shall not apply to the following types of loans:
- a. A loan made to the campaign committee of an elected officer or a candidate for elective office.
 - b. A loan that would otherwise not be a gift as defined in this title.
 - c. A loan that would otherwise be a gift as set forth under subdivision (A), but on which the creditor has taken reasonable action to collect the balance due.
 - d. A loan that would otherwise be a gift as set forth under subdivision (A), but on which the creditor, based on reasonable business considerations, has not undertaken collection action. Except in a criminal action, a creditor who claims that a loan is not a gift on the basis of this paragraph has the burden of proving

that the decision for not taking collection action was based on reasonable business considerations.

- e. A loan made to a debtor who has filed for bankruptcy and the loan is ultimately discharged in bankruptcy.
- C. Nothing in this section shall exempt any person from any other provisions of Title 9 of the Government Code.

Section 9. Disqualification.

No public official, including a designated employee, shall make, participate in making, or in any way attempt to use his or her official position to influence the making of any governmental decision which he or she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family or on:

- A. Any business entity in which the official has a direct or indirect investment worth two thousand dollars (\$2,000) or more;
- B. Any real property in which the official has a direct or indirect interest worth two thousand dollars (\$2,000) or more;
- C. Any source of income, other than gifts and other than loans by a commercial lending institution in the regular course of business on terms available to the public without regard to official status, aggregating five hundred dollars (\$500) or more in value provided to, received by or promised to the official within 12 months prior to the time when the decision is made;
- D. Any business entity in which the official is a director, officer, partner, trustee, employee, or holds any position of management; or
- E. Any donor of, or any intermediary or agent for a donor of, a gift or gifts aggregating \$420 or more provided to, received by, or promised to the official within 12 months prior to the time when the decision is made.

Section 9.3. Legally Required Participation.

No public official, including a designated employee, shall be prevented from making or participating in the making of any decision to the extent his or her participation is legally required for the decision to be made. The fact that the vote of a public official, including a designated employee, who is on a voting body is needed to break a tie does not make his or her participation legally required for purposes of this section.

Section 9.5. Disqualification of State Officers and Employees.

In addition to the general disqualification provisions of section 9, no state administrative official shall make, participate in making, or use his or her official position to influence any governmental decision directly relating to any contract where the state administrative official knows or has reason to know that any party to the contract is a person with whom the state

administrative official, or any member of his or her immediate family has, within 12 months prior to the time when the official action is to be taken:

- A. Engaged in a business transaction or transactions on terms not available to members of the public, regarding any investment or interest in real property; or
- B. Engaged in a business transaction or transactions on terms not available to members of the public regarding the rendering of goods or services totaling in value one thousand dollars (\$1,000) or more.

Section 10. Disclosure of Disqualifying Interest.

When a designated employee determines that he or she should not make a governmental decision because he or she has a disqualifying interest in it, the determination not to act may be accompanied by disclosure of the disqualifying interest.

Section 11. Assistance of the Commission and Counsel.

Any designated employee who is unsure of his or her duties under this code may request assistance from the Fair Political Practices Commission pursuant to Government Code section 83114 and 2 Ca. Code Regs. sections 18329 and 18329.5 or from the attorney for his or her agency, provided that nothing in this section requires the attorney for the agency to issue any formal or informal opinion.

Section 12. Violations.

This code has the force and effect of law. Designated employees violating any provision of this code are subject to the administrative, criminal and civil sanctions provided in the Political Reform Act, Government Code sections 81000-91014. In addition, a decision in relation to which a violation the disqualification provisions of this code or of Government Code section 87100 or 87450 has occurred may be set aside as void pursuant to Government Code section 91003.

Footnotes

- 1.** Designated employees who are required to file statements of economic interests under any other agency's conflict of interest code, or under article 2 for a different jurisdiction, may expand their statement of economic interests to cover reportable interests in both jurisdictions, and file copies of this expanded statement with both entities in lieu of filing separate and distinct Statements, provided that each copy of such expanded Statement filed in place of an original is signed and verified by the designated employee as if it were an original. See Government Code section 81004.
- 2.** See Government Code section 81010 and 2 Cal. Code of Regs. section 18115 for the duties of filing officer and persons in agencies who make and retain copies of statements and forward the originals to the filing officer.
- 3.** For the purpose of disclosure only (not disqualification), an interest in real property does not include the principal residence of the filer.
- 4.** Investments and interests in real property which have a fair market value of less than \$2,000 are not investments and interests in real property within the meaning of the Political Reform Act. However, investments or interests in real property of an individual include those held by the individual's spouse and dependent children as well as a pro rata share of any investment or interest in real property of any business entity or trust in which the individual, spouse and dependent children own, in the aggregate, a direct, indirect or beneficial interest of 10 percent or greater.
- 5.** A designated employee's income includes his or her community property interest in the income of his or her spouse but does not include salary or reimbursement for expenses received from a state, local or federal government agency.
- 6.** Income of a business entity is reportable if the direct, indirect or beneficial interest of the filer and the filer's spouse in the business entity aggregates a 10 percent or greater interest. In addition, the disclosure of persons who are clients or customers of a business entity is required only if the clients or customers are within one of the disclosure categories of the filer.
- 7.** University of California officers and employees are exempt from the state civil service system pursuant to subdivision (h) of section 4 of Article VII of the Constitution.
