MAYOR VILLARAIGOSA'S STATEMENT ON LAUSD'S SELECTION OF A NEW SUPERINTENDENT

"I am deeply disappointed that the School Board made this decision without the meaningful inclusion of parents, teachers, the Council of Mayors or the broader Los Angeles community. I look forward to learning about Admiral Brewer's qualifications, record, and educational philosophy. It is my hope that the Admiral will be committed to bringing fundamental reform to our schools, putting students first, and building a genuine partnership with the Council of Mayors."
